

Midas Accountants

Refer us with confidence

If you've employed us to undertake accountancy tasks or auditing services for your business, would you consider recommending us to your clients, suppliers and contacts?

We're confident that the superior service we offer is worthy of referral but, to make it of benefit to you as well as those you refer us to, we are saying thank you with vouchers.

Please let us know who you think needs our help and, if your introduction results in us gaining a client*, we'll give you £50 in Marks & Spencer vouchers.

*Subject to the new client signing form 64-8 and us receiving the relevant documents from their previous accountant.
